2. Each session is for the same sport or activity.
3. Each session is in the same place. This condition is still met where a different pitch, court or lane is used (or a different number of pitches, courts or lanes), as long as these are at the same establishment).
4. The interval between each session is at least 1 day but not more than 14 days (for an interval to be at least 1 day, 24 hours must elapse between the start of each session). The duration of the sessions may be varied. There is no exception for intervals greater than 14 days through the closure of the facility for any reason.

7. The person to whom the facilities are let has exclusive use of them during the sessions.

**Use of the

2. Access to changing rooms in connection with the fixture will be one hour prior to kick off and for a maximum of one hour after the game finishing. Any extension to these times will be at an additional charge.
3. Attendants have been instructed to lock additional changing rooms in facilities where there is more than 1 set of changing rooms and only 1 fixture being played. If you require the additional changing rooms, these must be booked and paid for in advance.

4. Players are not allowed to clean their kits or boots etc. in the changing room showers or wash-hand basins, players doing this in the past have resulted in blocked drains. If this occurs, the Club will be invoiced by the authorised officer to recover any associated costs.
5. The Hirer will be held responsible for the actions of both home and away teams who use the pavilion. Any damage to the changing rooms may result in the Hirer being liable for any subsequent repair costs and this may result in the allocated ground being withdrawn. The Pavilion Attendant will check the facility before use, however should any damage be noted or cause concern, please inform the authorised officer as soon as reasonably practicable.
6. Clubs that supply and use their own electrical appliances must have them P.A.T. (Portable Appliance Tested) by a qualified person and have it labelled and registered annually. The Club must fund this expense themselves.
7. Any person(s) preparing food within the pavilions or changing rooms (on behalf of the Club) must have attended and obtained a Food & Hygiene certificate. 8. It is the clubs responsibility to remove any refuse/food/drink waste generated by them from any refreshment they may supply to the home and/or away teams.

If you need guidance in Food & Hygiene matters please contact Environmental Health. If you wish the Council to remove refuse or waste, please ring Waste Management on 01443 815588. A cost will be incurred for these services.

Equipment Storage:

1. The Hirer, in agreement with the Authorised Officer, shall only store equipment used in connection with the facility. The Council will not be responsible for any subsequent damage that may occur to the equipment. If consent is given, the equipment must be insured by the Club separately for any damage or loss.
2. A Hirer who regularly uses the same venue each season will have to seek permission from the authorised officer, in writing on an annual basis to continue storing equipment used in connection with the hire. The Club will provide the Council with a copy of an inventory list of all equipment stored in the building.
3. If any unauthorised storage of equipment in pavilions is reported, the authorised officer will issue the Hirer with 5 days written notice to remove the said items. Failure to do so may result in the equipment being removed by the Council. Any costs incurred will be passed to the Hirer. When the costs are paid in full, the Hirer will be able to retrieve the said equipment.

Use of ground:

1. The Hirer is responsible for ensuring that access to and from the ground is kept clear of motor vehicles belonging either to team members or spectators. Failure to do so may result in the facility being withdrawn if complaints are received from outside parties.
2. No motor vehicles shall be parked or driven on any hired facility. Any costs incurred by the Council arising out of any damage caused by a motor vehicle being parked and or driven across the playing surface, shall be recovered from the Hirer.

N.B. To comply with Health and Safety requirements, it is the Club's responsibility to exercise a "Duty of Care" to both players and spectators. They must ensure that all approaches to the playing areas are kept clear at all times, to allow entry for Emergency Services to the ground. Clubs will also be held responsible for players, spectators and Visitors whilst at the facility.

3. The Club shall indemnify the Council in respect of any damage caused and any actions, proceedings, costs, claims or expenses to persons or property arising out of or from the hire and the Council may in its absolute discretion require the Club to arrange insurance cover in respect thereof and produce to the Council evidence of adequate insurance cover.
4. The Council by themselves their servants, agents or insurers accept no responsibility for any injury, loss or damage to persons or property however caused arising out of or from the hire of any outdoor facility.
5. While every effort is made to ensure all your venue and fixture requirements are met, if for any reason fixture clashes arise and cannot be resolved by Clubs, then the Authorised Officer reserves the right to make the final decision.
6. Clubs are to take full responsibility to check the pitch for debris (i.e. Glass) prior to use. This is due to an increase in antisocial behaviour.

Ground Management:

1. Clubs who wish to hold tournaments during the "closed season". This results in the grounds not having the opportunity to recover from the previous season. Applications to hold a Tournament must be made via e-mail and sent to the Park services email address outdoorfacilities@caerphilly.gov.uk these applications are then considered on an individual basis.
2. **Clubs that use CCBC facilities without the appropriate authorisation will be liable for the cost of the booking plus a fine (which may be waived by the head of Community & Leisure Services in exceptional circumstances) equal to that of the booking fee. This would need to be settled before any further bookings are accepted.**

- 3. Clubs, who continue to use any facility without the appropriate authorisation, will have their application for use of CCBC facilities withdrawn for the season.**

It is in the interest of all Clubs to look after their home ground and report any unauthorised training sessions/tournaments to the Authorised Officer.

Please make every effort to fill out and return the Evaluation Cards after each fixture, this is your opportunity to have your say!
